Tinc Productions Expands into Sunshine State

New office will provide labor services and other production services throughout Florida

NEW YORK, NY and ST. PETERSBURG, FL – JUNE 21, 2022: Tinc Productions announces today, that it has expanded its labor services and production management operations to Florida. The new office, located in St. Petersburg, will help Tinc better serve its current clients in the region, as well as attract new regional partners in need of top-of-the-line labor and production services.

Tinc Productions, founded in 2012, is a trusted entertainment labor provider. Our exceptional methodology for providing labor services includes a roster of over 200 qualified and safety-trained technicians, a unique selection process that helps foster seamless communication on the job site, and a dedicated team with years of experience in event and theatrical productions.

“For the past 15 years we have built a large client and partner base in the NY and Tristate area, and have produced projects across the country as well as around the world from our home base,” says Duncan Northern, CEO & President. “By opening a Tinc Productions office in Florida, we will be able to expand our reach into themed entertainment, event production and technical services in the area, while continuing our dedication to safety and exceptional work practices.”

This expansion may also provide a boon for local skilled technicians and jobseekers around the state. “We pride ourselves on hiring, retaining and training the best talent,” says Tobias Peltier, Manager of Labor Services. “In expanding our labor pool to include Florida residents, we are able to provide exciting work opportunities that offer competitive pay, flexible hours and onsite learning. We are very excited to cultivate new and seasoned craftspeople in the area.”

Initial service offerings in Florida include access to a wide range of technicians including loaders, carpenters, electricians, audio and video technicians, stage hands, lift drivers, automation experts and technology support specialists. Tinc Productions handles all payroll processing and is fully insured, including workers’ compensation. In the coming months, Tinc Productions will also offer theatrical production management and full-service event design and management.
